

WIM Meeting Minutes – November 4, 2024

The November 4 meeting was held in the Government Services building and was called to order by President John Hormovitis at 7:32PM with 24 members present including new members Mark Moscon and his wife Andrea Claymen. Mark and Andrea split their drive time with a '55 T-Bird (show car) and a 2005 T-Bird (daily driver). They come to us after 30 years of AACA membership in Jacksonville. Welcome!

The pledge of allegiance and moment of silence were led by Dennis McDonald.

There were no visitors.

VP Carl Laundrie gave a reminder on the Nov 9 Friends of the Library Book and Bake Sale and cruise-in. The FOTL are very appreciative that the club can provide some additional entertainment and “draw” for this important fundraising event. Carl is looking for members to be interviewed for future newsletters, please contact him if you haven't yet had the pleasure. Don't forget to supply your favorite picture of your jalopy!

Treasurer Al Jusko gave his report on the finances of the club combined for September and October due to no meeting being held last month. We're still firing on all 8 cylinders. Trudy also reported that the DAV has taken in sufficient money for the holiday turkeys this year.

Secretary Warren Mudd remarked “easiest job ever” reporting the non-existent minutes from the non-existent meeting. A non-vote was taken to non-approve the minutes. In your face Hurricane Milton!

Edie and Bob Harris gave the Sunshine Report: just 2 cards this month, one to Dick and Carol Hewet (it worked, said one man (Dennis)! Good to see you Dick!) and one to Jose's wife Mariana Rodrigues.

Doug reported on the dinner at the Anchor Restaurant in Flagler Beach last month with 12 people, the food was great! The picnic BBQ was also very good as usual thanks to the BOGO special on Hoffman's hotdogs at Publix. The next club dinner is Monday Nov 18 3PM at Fire in the Brick (corner Utility Drive & Old Kings Road). Christmas Dinner is at RiverGrille in Ormond Beach on Dec 11 at 2PM. Signup sheets were provided. Tues night is Culvers in St. Augustine, bring your car and get an ice cream! And Doug reminded all that the Tuesday Coffee & Cars at the St. Augustine Museum still has Parlour donuts. “Woody's” is back in business for cars on Wednesday nights starting on Nov. 13 with a DJ and a Porta-Potty. A bunch of folks have been meeting there on Wednesdays anyway since Woody's closed. The coffee shop opening soon “smack dab in the damn middle of the parking lot” is the epicenter.

Dennis reminded us that Sundays at 9AM the Staples parking lot also has about 60-75 cars for an informal weekly meet, and Dunkin' Donuts offers at \$6 breakfast special. Doug, of course, couldn't say enough about the breakie special.

John has badges and tickets for Turkey Run volunteers, and 8 club parking tickets. See him if you are working the event or if you want to park inside while you attend (this is NOT a ticket to the event).

Our club officers will meet with Volusia AACA at Perkins Restaurant in Deland on Woodland Blvd. & International Speedway Blvd. on Nov. 21 at 5:30 (for dinner) 7PM (meeting) to pick their brains on increasing membership.

Nov 29 & 30 is the **66th Birthplace of Speed Antique Car Show and Gaslight parade** in Ormond Beach (a Volusia AACA event). Meet at 5PM at The Casements for registration and lineup (corner of Granada Blvd. & Riverside Dr. Ormond Beach). Parade starts at 7. No fee for entry. Slight modifieds are OK, but it's an antique show. There is a last Saturday show in Lake Helen every month that costs \$20 and is a fundraiser for the Volusia club. A flyer was available for the Gaslight show.

Bob Harris spoke about the massive **Museum of American Speed** in Lincoln Nebraska. See for yourself here <https://www.museumofamericanspeed.org>. He also visited the classic race car show in Daytona over the last weekend and said "it's the best \$70 you can spend on cars".
